

A RECORD ENTRY for the INTER-CLUB PRINT CHAMPIONSHIP at Conan's Quay on Saturday 25 October 2008. Every Federation is sending two clubs and 35 will contest the championship this year - one more than the normal maximum because there were 5 semi finalists in 2007, who all qualified for the 2008 event. We are still waiting for the name of one club from one Federation but this has been promised soon and will take us to the new record entry. Tickets are still available for the day and a Booking Form is attached. This is great event and well worth the effort of attending.

The Celtic Challenge is an event open to all the Celtic Nations which the organisers consider includes Cornwall, the Isle of Man and Brittany. The event, now in its 12th year, is hosted in a different area every year and recently it was Scotland's turn. Representatives attended from Northern Ireland, the Irish Republic, North and South Wales, Cornwall and the Isle of Man. Although the delegates meet mainly for the dinner and the "craic" there is a print and projected image competition won this year by the SPF hosts followed by NIPA in second place and the WPF in third. The 2009 Challenge will be hosted by the NWPA. Perhaps there should also be an Anglo Saxon Challenge?
