AWARDS FOR PHOTOGRAPHIC MERIT APRIL 2018 in CHORLEY

We had hoped to bring you many more pictures from the very successful Adjudication in Chorley, but lack of time has made this impossible in this issue of **e-news**.

Look out for a special **e-news extra** coming soon with all FIVE MPAGB and lots of other pictures too.

There are so many wonderful pictures, at all three levels, that just one **e-news extra** may not be enough!

Later in the year there will be a well-illustrated, updated Recorded Lecture detailing what is required at CPAGB and DPAGB and, probably, an update on the "Tribute to the MPAGB". Watch out for further reports in **e-news**.

Salon Refusés

This collection of prints, drawn from the best of the **masters of print** entry is now available for hire by Clubs from the PAGB Recorded Lecture Service. The exhibition has been restricted to 33 prints to keep the cost of postage reasonable, and this will have to be paid in advance by the receiving Club. (£2.90, in addition to the normal hire fee).

Contact - stephanie.cook@btinternet.com

The Salon des Refusés, (French: Salon of the Refused), art exhibition was held in 1863 in Paris, by command of Napoleon III, for those artists whose works had been refused by the jury of the official Salon. Among the exhibitors were Paul Cézanne, Camille Pissarro, Armand Guillaumin, Johan Jongkind, Henri Fantin-Latour, James Whistler, and Édouard Manet. Almost as impressive a line up as our masters of print - Salon Refusés!

We plant trees!

For every tonne of paper we buy at **Paper Spectrum** we pay a percentage of the cost, through the Woodland Carbon Scheme, which pays for new trees to be planted.

Every winter our MD Chris Roberts braves the cold and visits woodland to help plant these trees.

During the quarter from October to December 2017 we created 59.82m² of new Native Woodland to remove 2.393kg of Carbon Dioxide.

“Canine Thought” by Michael Duke

Rather like the 'Life After Coffee' exhibition featured in e-news last year, this one started by chance. I started noticing a couple of opportunities to capture an image of a dog in a situation and giving the resultant picture a title that reflects what I think the dog may be thinking. I tested the waters at a couple of Clubs, including a Members' Evening at the Hampstead Photographic Society just to make sure that I was not barking up the wrong tree! (sorry - I couldn't resist that one). The comedy of such a scenario was not lost on the audiences, with some members being very encouraging. For the first time in ages, I have decided NOT to do anything creative and let the subject do its own talking. All I have done is capture the image and given it a 'canine thought'.

“Pssst - you wanna ticket?”

“Where did he hide the keys?”

“It is OK – it's not too cold.”

“Get off that phone - we'll miss the train.”

COME TO TURKEY with Rod & Anne

NORTH EASTERN TURKEY PHOTOGRAPHY TOUR
12 – 26 SEPTEMBER 2018

Rod Wheelans MPAGB and Anne Greiner MPAGB have been taking small parties to Turkey, for years, on tours organised by their friend Serkan Cetin. You can join us this year on a trip to the rugged, remote North East Region, our favourite and most photographically productive part of Turkey. We will have a small group of not more than 8 guests and, although several people have booked already, we still have space for 2 or 3 more. Good company and great photography!

We will spend time on this tour visiting “Yaylalar”, the high altitude villages, characterised by small clusters of stone & wooden houses which are occupied in the Summer only. Although common across much of Turkey, the “yaylalar” of the Kaçkar mountains, around Camlihemsin are spectacular. There are very few outsiders here! Traditional activities can still be seen, such as the making of yoghurt and local cheese.
