THE ROLLS ROYCE OF CAMERA CLUBS

It is a knock-out era for Rolls Royce (Derby) P.S., who seem to have won almost everything in the last 12 months. Great to see the “usual suspects” put in their places. Now they have added the GB Cup (Open) and GB Cup (Nature) 2019 to their impressive haul of trophies.

Rolls Royce About us

Anyone with an interest in photography from beginner to expert, is very welcome to come to our meetings. Enjoying the hobby, sharing knowledge and helping each other to improve in a friendly atmosphere is what it's all about for us.

From September to May we have a great programme of interesting weekly meetings.

We also have a Summer programme, from May to August, when we get out and about together, having fun and learning from the more experienced photographers at the same time.

We are a group of friendly people of all ages, from a wide range of backgrounds, with varying experience and interests in all types of photography. So whatever question you might have, there'll be someone who can answer it

Visitors are always welcome.
