## GB TROPHY 2021 – FULL RESULTS INSIDE >>>

Owing to the Covid pandemic restrictions we were not able to bring a set of three judges together in one room to view the A4 print entries. Instead the prints were viewed in sequence by the three judges, the whole batch being transferred from judge to judge and finally taken to Jane and Adrian Lines for the results to be input onto the system. The award selection was conducted via Zoom.

The PAGB is grateful for all the work done by our in-house software developer Adrian Lines, ably assisted by Jane Lines, and for the judging by Andrea Hargreaves, Howard Tate and Alan Stopher.

The results have been sent to all the entrant clubs and have been published on the PAGB website a recorded show is now available to clubs via the Recorded Lecture Service. Thank you to all involved in publishing through these media.

These competitions could not have taken place without the clubs entering their members work at a time when print competitions are a challenge to run. Well done to all of you and congratulations to the successful clubs and members gaining an award.

# GB TROPHY OPEN 2021

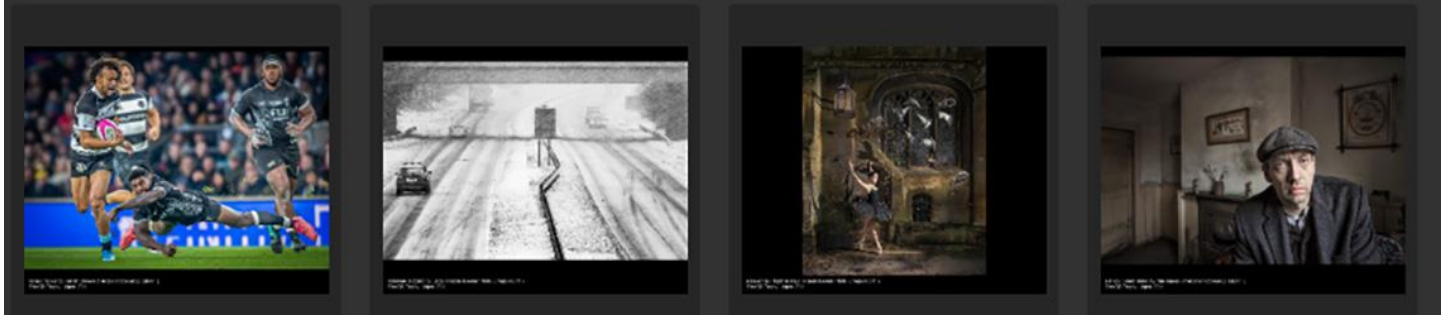

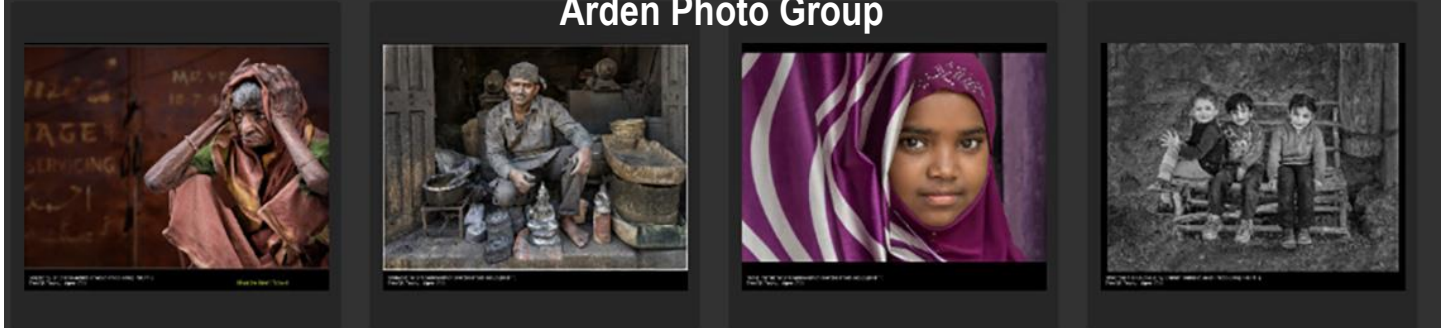

Based on the Top 12 scores by each Club. In the Nature competition we had a clear winner using just the top 12 scores from each club, but, in accordance with the Rules, we had to go to the top 16 scores from each of the tied Clubs in the Open competition to decide the winner.
